

Ferrocement Society India

Late V D Joshi Ferrocement Artisan Award- 2020

Notification

Ferrocement Society, India invites nominations from the Architects, Engineers and contractors for proposing the name of a technical worker related to their ferrocement works for the said award. The rules for nominations shall be as below.

Rules for submission: (to be carefully read by the proposer)

1. The Proposer means an Architect, Engineer, NGO firm, contractor, who is engaged in ferrocement construction activities.
2. The proposer must have been in construction field for at least 3 years. NGOs older than 3 years are eligible.
3. The Proposer must recommend the worker with all the details in the given format.
4. Incomplete information of the worker is liable for rejection.
5. One proposer shall recommend only one name of the worker for the said award.
6. As the workers are mostly illiterate, the proposal shall be submitted by the proposer by email to indiaferrocement@gmail.com before 31st January 2021. Late entries and incomplete forms will not be considered for award.
7. No Worker shall apply directly for the award. His/her name must be proposed by any Proposer.
8. There is no entry fee.
