NEW HORIZONS IN FERROCEMENT

FS-2023

7TH NATIONAL CONVENTION

7th NATIONAL CONVENTION ON FERROCEMENT
“NEW HORIZONS IN FERROCEMENT”

Organized by Ferrocement Society (India)

Ferrocement is a material of millennium and an avenue towards Green Technology. For precasting the building components, ferrocement is one of the best technologies. This is the SEVENTH convention on this subject organized by Ferrocement Society that is providing a forum for architects, civil engineers and working professionals across India to present and discuss the projects, research and developments in a broad spectrum regarding **New Horizons in Ferrocement**.

Delegates are invited to register for this convention. This convention is an Opportunity for all Architects, Civil, Mechanical, Instrumentation and other Engineers. Indian and foreign delegates can attend it physically or opt for online attendance. Both options are available.

TOPICS

Main Topics to be covered in the convention include, but are not limited to:

1. Ferrocement components necessity, different shapes and ideas
2. Moulds for precasting and their types, techniques to design and produce moulds
3. Types of matrix- cement mortar, geo-polymer mortar, colgrout mortar, mortar without cement, various admixtures for the matrix
4. Construction techniques. Meshes cutting, bending, inserting, mortar filling, spraying mortars etc. Stamped concrete.
5. Designing ferrocement structures
6. New research projects, testing for ferrocement properties
7. Water conservation, prefabricating water tanks and check dams, storage concepts and case studies
8. Various machines available for testing, mechanisation, conceptual machines, hand casting and precasting equipment, welding, plastering.
9. Stability of buildings, tests, stress analysis, energy calculations
10. Hybrid or composite construction using ferrocement components
11. Mass housing using ferrocement, multi-storied buildings
12. Factory on wheels
13. Other innovative applications using ferrocement
14. Standardisation

CONVENTION VENUE

Mini Auditorium, College of Engineering (COEP), Wellesley Rd, Shivajinagar, Pune 411005

The convention will be held in Pune city which is 180 km from Mumbai, it is on Central railway. Pune is served by direct charter flights from various cities in India. OLA, UBER and other Taxi service is available. Luxury travel buses come to Pune from various cities like Surat, Indore, Bangalore, Mysore, Hyderabad, Kochi etc.
